President Falconer,  
University of Toronto.

Dear Mr. President,

In reply to the letter in the Monthly regarding the proposed Edward Kylie Memorial Scholarship I may say that Mrs Burton and myself will be glad to subscribe \$5.00 each in memory of one of our class whom we all honoured.

I thought of offering to make a special appeal to our class of 1901, but as there are other members of the class who have fallen in action, probably anything to be done by the Year as such should be delayed until the end of the war.

Very sincerely yours,

*E. Burton.*

Professor E. F. Burton,  
Physics Building.

Dear Professor Burton:

Many thanks for the copy of "Nature".

I read the review of your book with much interest, and congratulate you upon the recognition.

With kind regards, I am,

Yours sincerely,

President.
